Biology: Vocabulary for Mitosis and Meiosis

Mitosis

Chromosome
Chromatid
Centromere
Spindle fibers
Centrioles
Nuclear envelope
Cytokinesis
Homologous

The Cell Life Cycle

Meiosis

Crossing over
Gamete
Haploid (N)
Diploid (2N)
Phases of Meiosis

Phase I.

Prophase I
Metaphase I
Anaphase I
Telophase I
Cytokinesis I (first cell division)

Phase II

Prophase II
Metaphase II
Anaphase II
Telophase II

Cytokinesis II (second cell division)
