

AP Biology Class & Safety Contract

Mr. Kodros

Burlingame High School

I, _____, have read the course description, reviewed the online syllabus, reviewed the online resources for the class, realize that the AP Biology course will be rigorous, and understand that I will give my best effort in preparing for and taking the AP test in May. I also understand the importance of labs and the safety rules for my science class and agree to the following:

- I will work to the best of my ability throughout the year with the goal of doing my best on the AP exam.
- I am responsible for my own safe conduct in the laboratory, understanding that my safe conduct creates a safer working environment for my colleagues.
- I will listen carefully at the beginning of the laboratory for additional safety precautions described by the teacher.
- I will wear eye protection for all biology labs.
- I will not engage in unsafe behavior in class.
- I understand that my grade may be lowered and/or I may be suspended from class for safety infractions, or other violations of the behavior guidelines stated in the course description.

Print Student Name _____ Period _____

Student Signature _____ Date: _____

I, the parent/guardian of the above individual have read the course description, reviewed the online syllabus, checked the online resources for the class, are aware that this course is a college level course taught in high school, and understand the importance of lab work and lab safety.

Parent/Guardian Signature _____ Date: _____

I am looking forward to a fun and challenging year together! If you have any comments or unanswered questions please e-mail me at gkodros@smuhsd.org

The Science Department requests that each student pay a materials fee of \$15.00 that helps our department provide materials that are individually consumed by each student in the course of the year. Without these supplementary funds, the science program would not be able to provide the same learning opportunities that are currently offered.
